Re: TPIA 2019 278 Cost Estimate for Request for Public Information dated March 6, 2019 with Clarification letter response received March 8, 2019.

Dear Ms. Farkus:

This correspondence is in reference to your request dated March 6, 2019 with a Clarification letter response received March 8, 2019 requesting all emails containing the keywords “hack, reddit, 4Chan, 9 Chan, 9Gag and FBI” on or related to the Round Rock ISD hacking incident in December of 2013.

For this request, we may be able to provide you the raw data by researching each file and pulling each page that may be responsive. The estimated charges for this request is below:

<b>Pages</b>	Approximately 2,998 pages @ \$0.10/page*	\$299.80
<b>Programming</b>	Approximately 3 hours @ \$28.50/hour*	\$85.50
<b>Estimated total</b>		<b>\$385.30</b>
<b>*Conservative cost estimate</b>		

\*Please be advised that this page estimate is a minimum based on an electronic search of our files which revealed 2,998 records containing the keywords requested in your revised open records request. Also, the programming estimate is only for conversion of the files to a format that can be reproduced. Any necessary reproduction costs will also involve labor and overhead costs pursuant to Texas Administrative Code, Section 70.3(d). Therefore, the actual costs to locate, compile, manipulate data and reproduce the requested information may be significantly higher.

Round Rock Independent School District ("RRISD" or "the District") is giving you this written notice estimating the cost of your request under the Texas Public Information Act:

*Pursuant to Texas Government Code § 552.261, et. al, Round Rock ISD may charge a requestor "an amount that reasonably includes all costs related to reproducing the public information, including costs of materials, labor, and overhead." TEX Gov'T CODE § 552.261(a). Because Round Rock ISD has determined that complying with your request for this information may result in the imposition of a charge that exceeds \$40.00, RRISD is providing you with this cost estimate as required by Texas Government Code § 552.2615.*

**Payment requirement and other options:**

Because the estimate exceeds \$100.00, a Deposit in the amount of 50% of the estimate must be paid before the work will begin. By inspecting the materials rather than having the District produce the materials would still require the labor charges, but might save you, as the requestor, some fees for copies. Additionally, there will still be a fee savings for the labor, as estimated.

Please be aware that your request will be considered automatically withdrawn if you do not respond in writing to this itemized statement within ten (10) business days informing the District that: (1) you accept the estimated charges; (2) that you are modifying your request; or (3) that you have sent a complaint to the Attorney General.

Round Rock ISD awaits your response as to whether or not you want the District to proceed with your request. *You may respond to this statement by delivering the written response to the Legal Services Department at Round Rock ISD by mail or in person at Round Rock ISD's administrative offices, 1 Chisholm Trail, Suite 400, Round Rock, TX 78681, by facsimile at (512) 464-5956, or by electronic mail at [Open\\_Records@roundrockisd.org](mailto:Open_Records@roundrockisd.org).* We look forward to hearing from you.

Should you have any questions concerning this communication, please do not hesitate to contact us at 512-464-5054.

Sincerely,

Legal Services Department
